

Checklist

“MBA Prep: Finance (FIN502)”

Updated 05-Oct-2018

We are excited to have a summer prep course for the incoming MBA students. Are you new to finance and/or business? If so, we have three topics to help you ease into topics that will be covered as part of the MBA course. If at anytime you feel stuck, please feel free to email the course TA. We are here to help.

Course TA: Darren Woodward. Email: djwoodw1@asu.edu

- Sign up for the online summer course.**
 - Page 2 of this packet has instructions for signing up on the *MyEducator* website.
<http://www.myeducator.com/s/1dqmFu1yq01/>

- Pre-Test (only for students with experience)**
 - If you have finance experience, please take the pre-test now (definitely before 14-Aug-2018.)
You have one, 3-hour block of time to complete the 15 questions.
We expect the test will take 45 minutes.
If you score 11 or above, you are done for the summer.
or
 - If you are new to finance please do not attempt the pre-test.
Attempting the pre-test with no background is likely to be frustrating.
Skip the pre-test and, instead, complete Topic 2 before 14-Aug-2018 (see the next item).

- Go to “Topic 2: The Time Value of Money”**
 - Understanding time value of money is the major goal of the summer course.
 - We have prepared some notes to accompany this topic. Please feel free to download them at:
<http://www.seasholes.com/fin-502.html>
 - We have also prepared a few Excel examples. Please feel free to download as well.
 - Do all the reading. Watch the videos. Do the knowledge checks as you progress.
 - Take the “End of Topic Practice Exam”. We are looking for students to score 75% or higher on this.
 - If you did not take the pre-test (or had a low score), you must complete Topic 2 by 14-Aug !!!

- Go to “Topic 3: Bond Valuation”**
 - Learn about bonds.
 - Apply the time value of money concepts learned in the previous section.
 - Topic notes and Excel examples are available for you.
 - We are looking for students to score 75% or higher on the “End of Topic Practice Exam”.

- Go to “Topic 4: Stock Valuation”**
 - Learn about stocks (equities)
 - Topic notes and Excel examples are available for you.
 - We are looking for students to score 75% or higher on the “End of Topic Practice Exam”.

- Post Test**
 - If you skipped the pre-test (or had a low score), you must complete the Post Test by 14-Oct !!!
 - The post test covers time value of money, bond valuation, and stock valuation.
 - We are looking for students to score 75% or higher on the “Post Test”.

Note: The remaining three topics in MyEducator can be done on your own.

Student Signup Instructions
