

Checklist for “MBA Prep: Finance (FIN502)”

Updated on 13-Apr-2021

We are excited to have a summer prep course for the incoming MBA students. Are you new to finance and/or business? If so, we have three topics to help you ease into topics that will be covered as part of the MBA course. If at anytime you feel stuck, please feel free to email the MBA Program Office. We are here to help.

Email: Erica.Day@asu.edu

You must complete and check all relevant boxes by the dates and times shown below. Due dates are staged, but you should feel free to complete assignments early if you are so motivated. Unfortunately, students who do not successfully complete all relevant steps will have 5% subtracted from their final FIN 502 grade at the end of Q2. Late admits and those with family/medical issues will have the deadlines adjusted as appropriate.

- Sign up for the online summer course**..... **Complete by 30-May-2021**
 - Page 2 of this packet has instructions for signing up on the *MyEducator* website.

- Pre-Test (only for students with experience)**
 - If you have finance experience, please take the pre-test now.
You have one, 3-hour block of time to complete the 15 questions.
We expect the test will take 45 minutes. You will have only one attempt at the pre-test.
If you score 11 or above, you are done for the summer (all relevant steps are now complete!)
↑ or ↓
 - If you are new to finance please do not attempt the pre-test. Instead, move on to Topic 2.
Attempting the pre-test with no finance background is likely to be frustrating.
